billergenie
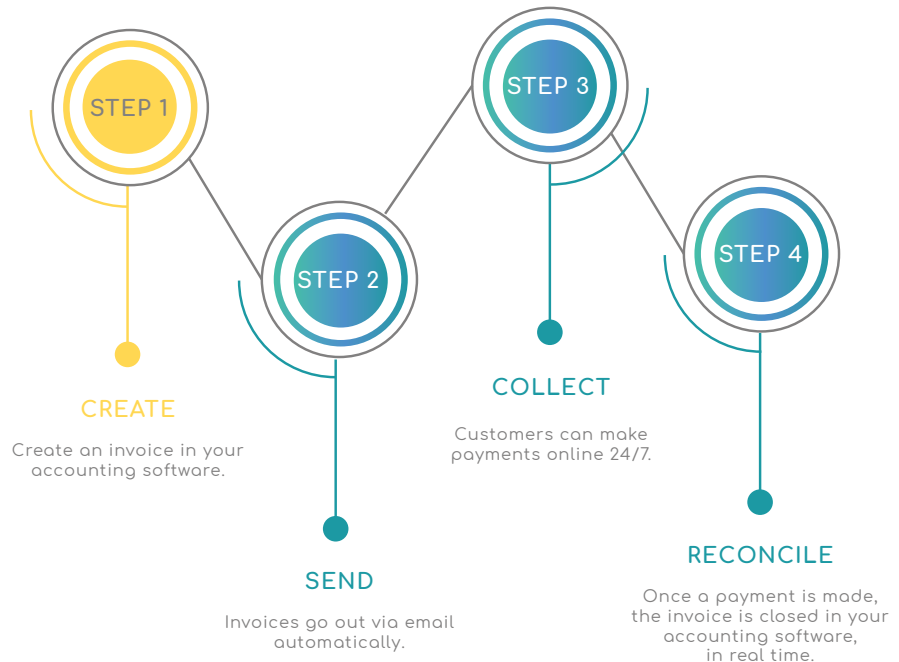

Connecting your merchant services account to your accounting software is easier than ever! You can now collect & reconcile payments directly into your accounting software.

HOW IT WORKS

Biller Genie®, an award winning cloud-based accounts receivable solution, is giving you an easier way to collect, process, and automatically reconcile credit card payments in your accounting software.

STEP 1

STEP 2

STEP 3

STEP 4

CREATE

Create an invoice in your accounting software.

SEND

Invoices go out via email automatically.

COLLECT

Customers can make payments online 24/7.

RECONCILE

Once a payment is made, the invoice is closed in your accounting software, in real time.
