

Eliminate credit card processing fees with

# Automatic Dual Pricing

**I** NOW AVAILABLE

## E-commerce Payments

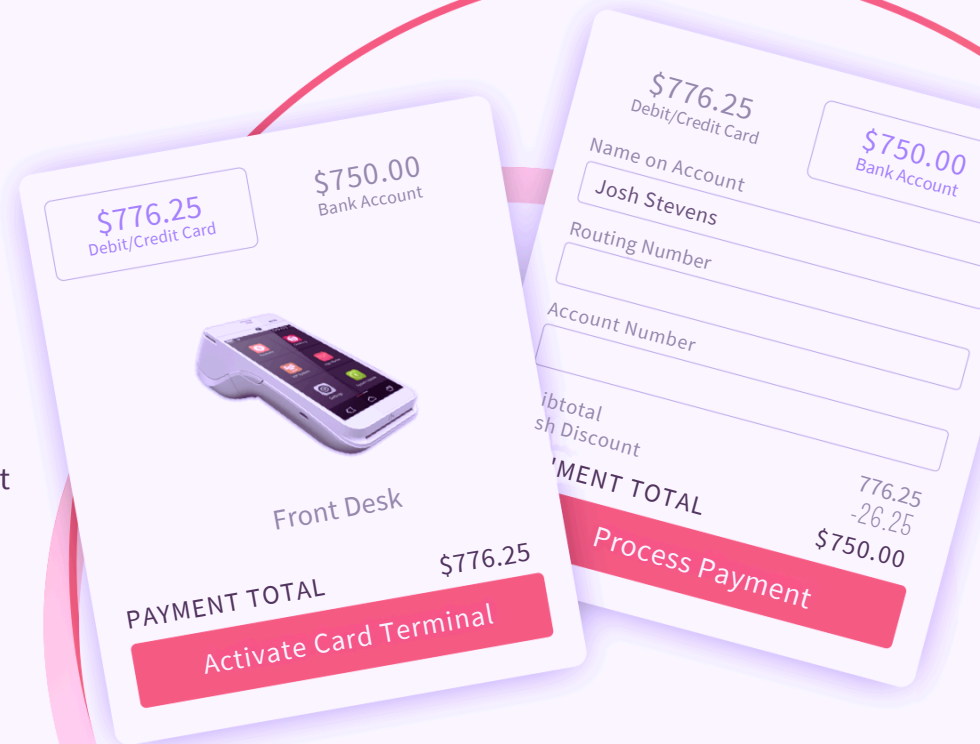

Automatically calculates dual pricing for customer invoices and virtual terminal payments, making it easy for you and your customers to understand.

## Card Present Payments

Add a physical card terminal to accept in-person payments with automatic dual pricing.

## Quickbooks Integration

Vivid's seamless two-way sync and hassle-free reconciliation makes it easy to add a dual pricing program for QuickBooks Online users.

Thank you for your business with Royal Home. Please click the link below to pay for your invoice.
