The merchant ("Merchant") whose name is set forth below hereby expressly acknowledges they have received notice that there was an issue related to their Transactions. Due to such error, Transactions were accepted, but not fully settled, beginning on _____ through _____.

By signing below, Merchant understands that attempts to settle the above-referenced Transactions have failed, and by signing this Re-Key Consent Form, Merchant is requesting ISO to re-process the above-referenced Transactions with un-expired, valid authorizations from _____ to _____ and processing new sales for the transactions processed between _____ through _____.

Merchant understands and acknowledges that re-processing the Transactions as set forth herein may result in declines, disputes or chargebacks, for which Merchant remains fully responsible pursuant to the terms and conditions of the Merchant Agreement through which Merchant is receiving Services (as defined in the Merchant Agreement).

By signing below, Merchant is authorizing ISO to re-process the transactions mentioned above in an effort to settle Transactions which were not previously fully settled.

The signor hereof acknowledges that they have the authority to execute this Re-Key Consent Form.
