

Biller Genie® connects your MID with your merchant's accounting software, giving them **an easier way** to collect, process and automatically reconcile credit card transactions.

## How to Enroll a New Merchant

1

Find merchant who uses QuickBooks & sell merchant services.

2

Complete the Biller Genie Rapid Onboarding Form.

3

Biller Genie reaches out to merchant within 3 hours to schedule a 15-minute set up call.

4

Sit back & watch your residuals grow.

## Features

### Integrated Virtual Terminal

Process credit, debit and ACH payments. Setup auto pay & manage recurring billing.

### Send Invoices & Collect Payments Online

Email invoices on merchant branded letterhead & collect payments via hosted payments page.

### Add Technology Fees to Invoices

Cover processing costs by adding line items to invoices for Technology Fees.

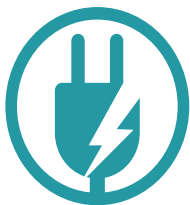

### Automated Reconciliation

Eliminate dual entry & human error with automation reconciliation.

### L2 & L3 Optimization

Automatic B2B optimization for Level 2 & Level 3 transactions.

\$24.95/month

No Contracts

## Qualifying Questions

- #1 Do you send invoices?
- #2 Do you use QuickBooks
